Malling Perching Stool (Arms & Padded Back)

Aidapt’s Malling Perching Stools are a tried and trusted range of products. The Malling Perching Stool range is height adjustable and has the benefit of side mounted stress bars, which dramatically improve both the strength and stability of the perching stool. Padded seats and backs are double heat sealed, making them easy to clean with no open seams to trap dirt. The Malling Perching Stool is available with a wide variety of configurations to suit the user.

Features:

- Ideal for those who struggle to stand for long periods
- Padded, angled seat for improved comfort and posture
- Height adjusting legs to suit most users
- Side mounted stress bars for increased safety and stability
- Easy clean heat sealed seat
- Maximum user weight limit 159kg (25 stone)
