

## NO MORE FALLING STICKS

### **SNAP ON - MAGNET ATTACHMENT**

- Prevents walking sticks from falling, and keeps them easily available.
- Attaches to metal surfaces with a strong magnet.
- The included clip can be placed on a pocket or belt, enabling you to use both hands while your walking stick rests safely at hand's reach.
- With the Snap On metal plate your walking stick can be parked anywhere.
- Fits all walking sticks and handle crutches.
- Easy to install.
