## An attractive shower/ commode chair

Etac's Swift Mobile is a height-adjustable shower and toilet chair that provides maximum comfort for the user. Its soft backrest moulds to fit the user's back and the footrests are gently arched, providing stable and comfortable support for the feet.

### The smart alternative - for home and institutions

etac

#### Designed to cope with tough conditions

- User is ensured a safe and comfortable seat
- Carer is able to manoeuvre the chair easily, providing optimum care

#### Simple and comfortable design

- Water-repellent nylon backrest moulds to the user's back for comfort, won't absorb soiled water and dries quickly after use
- Simple height adjustment function allows use by multiple users of varying heights
- Ergonomically designed, gently arched footrests with heel strap for maximum comfort

#### Several smart features

- Detachable and replaceable seat for optimum hygiene
- Widest point at wheel attachments reduces risk of injury for the user
- Swift Mobile with rear wheels gives active users the freedom to attend to personal hygiene independently
- Swift Mobile 160 model safely handles users of up to 160kg (25 stone)

mobile shower and toilet chairs

**Comfortable fabric backrest**  
The backrest can be adjusted using velcro straps for maximum comfort and can be easily removed for cleaning

**Comfortable armrests**  
The armrests are 45mm wide to provide comfortable support for the arms. Despite this, the Swift Mobile is widest at the wheel attachments.

**Easy to adjust seat height**  
The seat height can be adjusted in height from 45cm to 60cm without the need for tools. When the chair is set to a higher position, its centre of gravity moves forward, further improving safety.

**Ergonomic footrests**  
The footrests are gently arched to provide stable and comfortable support for feet. The raised outer edges of the footrests are designed to protect feet from castors.
