

DESCRIPTION

	<p>Designed to overcome many of the difficulties associated with cutting toe nails.</p> <p>The long loop handle of this toe nail cutter provides independence for those with weak grip or swollen joints.</p> <p>The extended shank assists with extra reach for those who have difficulty bending, whilst the angled blade provides an ergonomic cutting position.</p>
---	---

HOW TO USE

As shown in the photo above, the middle, ring and little finger are placed through the long loop to provide strength for the cutting action. The index finger is placed outside the loop to provide guidance and control.

KEY FEATURES

- Extended handle for a more comfortable and controlled grip
- Extended blade shank for extra reach
- Angled blade for comfortable cutting position
- Serrated blade to stop nail slipping whilst being cut
- Straight blades cut nails in straight line to prevent in-grown nails

RECOMMENDED FOR

	
<p>Poor Hand Control</p>	<p>Difficulty Bending</p>
